

The 6th ASEAN-OSHNET Awards & The 12th ASEAN-OSHNET Conference

3 September 2025 | AMS Brunei Cambodia Indonesia Lao PDR Malaysia Myanmar Philippines
Singapore Thailand Vietnam

The 6th ASEAN-OSHNET Awards was conducted on the 3rd September 2025 in conjunction with the 12th ASEAN-OSHNET Conference, held under the theme “Advancing Innovation and Technology towards Sustainable Occupational Safety and Health (OSH)”, organized by the Occupational Safety and Health Division, Department of Labour Protection and Welfare, Ministry of Labour of Thailand.

The 6th ASEAN-OSHNET Awards aimed to honor companies with high standards of OSH, while encouraging other companies across the region to raise awareness of the importance of safety and health in the workplace.

This year, a total of 9 companies received the ASEAN-OSHNET Excellence Award as follows:

- Adinin Work & Engineering Sendirian Berhad – Brunei Darussalam
- PGAS Solution – Indonesia
- Lane Xang Minerals Limited Company – Lao PDR
- HICOM HBPO Sendirian Berhad – Malaysia
- Grand Royal Group International Co.,Ltd – Myanmar
- AP Renewables, Inc. – The Philippines
- Unitech E&C Pte Ltd – Singapore
- Suntory Pepsico Beverage (Thailand) Co., Ltd. (Rayong Plant) – Thailand
- PETROLIMEX DANANG COMPANY LIMITED – Viet Nam

while 7 companies were presented with the ASEAN-OSHNET Best Practice Award as follows:

- CPCG International Co., Ltd – Cambodia
- Citra Lautan Biru – Indonesia
- Tenaga Nasional Berhad (Grid Maintenance North) – Malaysia
- DENTOMECH Toothbrush and Toothpaste – Myanmar
- PalaYamaNayon ni Tiyo Edgar – the Philippines
- Austin Energy (Asia) Pte Ltd – Singapore
- PTT Public Company Limited Khanom Gas Separation Plant – Thailand

The 12th ASEAN-OSHNET Conference comprised the following activities:

– Keynote Presentation: Global Effort to Ensure Decent Work in the Digital Platform by Dr. Yuka Ujita, Senior Occupational Safety and Health Specialist, International Labour Organization (ILO).

– Panel Discussion: Advancing Innovation and Technology towards Sustainable OSH with participation from Indonesia, Malaysia, the Philippines, and Singapore, moderated by Thailand. Each country presented how innovation and technology are applied to improve national OSH practices, as well as how they address challenges and opportunities arising from artificial intelligence and automation.

– Presentation and Sharing of Best Practices. This session highlighted the benefits of implementing occupational safety and health management systems in ASEAN companies that received the ASEAN-OSHNET Excellence Awards. Exhibition booths were also set up to share best practices in OSH implementation by awardees.
